

WRITING WORKSHOPS WITH GIGI BIZAR SUMMER 2025

Learn how to write a
solid thesis and back it up
with relevant information

Read, Analyze & Write about
excellent fiction and non-fiction.

Write about topics you
care about.

Two workshops are offered this
summer: analytical + creative
writing, or a book club where we
read a book, discuss, and write
about it!

Fast Facts

This is not a Westridge
sponsored class.
Anyone entering 7th or
8th grade can take it.

This is a fun and
safe opportunity
to engage in the
writing process.

This is my 15th
summer holding these
workshops and my
20th year teaching
middle school.

All workshops are
held in my home or
at a student's
home.
