

WRITING WORKSHOPS WITH GIGI BIZAR SUMMER 2024

Learn how to write a
solid thesis and back it up
with relevant information

Read, Analyze & Write about
excellent fiction and non-fiction.

Write about topics you
care about.

Choose from three different
workshops: analytical writing, a
combined workshop with
analytical + creative writing, or a
book club where we read a book,
discuss, and write about it!

Fast Facts

This is not a Westridge
sponsored class.
Anyone entering 7th or
8th grade can take it.

This is a fun and
safe opportunity
to engage in the
writing process.

This is my 14th
summer holding these
workshops and my
19th year teaching
middle school.

All workshops are
held in my home or
at a student's
home.
